Before You Begin

To pay your court fees using ePay, you will need:

- A valid credit card or PayPal account.
- Your case number. The case number is also known as the docket number.
- A willingness to pay a convenience fee to PayPal. This is 3.5% of your current payment. Every time you use ePay, you will pay the convenience fee. It does not go to the courts. It goes to PayPal.
- Access to a computer that is connected to the Internet.

Note: To avoid the ePay convenience fee, bring your payment directly to the courthouse.
